

SUNDAY

# AUG 4TH

9:00 AM

GARRET MACHINE

# FORCE ON FORCE

*Stress inoculation is the name of the game.*

**TEST YOURSELF AGAINST REAL LIFE ADVERSARIES IN THE MOST HYPER-REALISTIC ENVIRONMENT POSSIBLE!**

**SHOOT**  
CENTER

**WARNING:** This training is not for the faint of heart. Participants will experience elevated stress and elevated heart rate levels. Any exposed skin can break if struck by incoming projectiles. While Shoot Center will provide all necessary safety equipment, it is recommended that all participants consult with their doctor to ensure physical health is adequate prior to any training.

**JOIN US FOR**  
**FORCE ON FORCE**  
**AUGUST 4TH FOR A 5-6 HOUR CLASS**

**COST IS \$249**  
**Class Ammunition Fee \$50**  
**Protective Gear \$0**

**This class will focus primarily on tactics and is extremely “hands-on”.** Force-on-force training utilizes specialty equipment and “man-marker” projectiles fired from life-sized Glock-17 training pistols. This type of training is typically reserved for Law Enforcement and Military.

**WARNING:** This training is not for the faint of heart. Participants will experience elevated stress and elevated heart rate levels. Any exposed skin can break if struck by incoming projectiles. While Shoot Center will provide all necessary safety equipment, it is recommended that all participants consult with their doctor to ensure physical health is adequate prior to any training.
